

# Kindergarten Sight Words

10 Purple Words	13 Blue Words	18 Green Words
a my the red blue yellow like am and go	I in is it one two three see we to you look big	can me up play for jump run away come down find funny help here little make not said
17 Yellow Words	17 Orange Words	16 Red Words
at on all be brown black no four do did eat into ran she ate new good	he say soon out saw our ride please must pretty now so has came get but are	yes white too want with will what there they well under that who was this went

These are all the words your child will be expected to read *by the end* of Kindergarten. 3-5 words will be assigned each week. Please find time to study the weekly sight words at home before the test on Friday. The test will be given one on one with flash cards. Your child will have 3-5 seconds to identify the words. Although, some sight words are decodable (able to be sounded out), these words are tested to be identified by sight.

\*As a new "section" is mastered, your child will receive the corresponding color on their Rain Cloud in the classroom.
